			Block of the Month – Join us each month as we piece a different quilt block. A new pattern and hands-on instruction will be offered each month! At the end of the year, we'll construct the 12 blocks into a quilt top. All blocks are appropriate for beginners <i>and</i> experts. Supply lists for each block (month) will be given at time of registration for that class only. Each Block of the month is a stand-alone class. Tulips (Two Lips) To Kiss —This charming quilt block gives us a new challenge—Insets and templates. While the design is simple and pieces are few, we'll learn an easy way to insert a square into a V-seam. Instructor: Lauri Dilbeck
